Publisher's note 出版说明

牛津出版的各种双解学习词典早已为广大读者熟悉和认可。但囿于篇幅所限，这类包罗万象的词典一般难以详尽介绍英语单词的各种有机组合，如习语（idiom）、短语动词（phrasal verb）或词语搭配（collocation）等[注]。而这些范畴却又是有志于进一步提高英语水平的学习者所必须掌握的。

《牛津短语动词词典》（第2版）（英汉双解版）的出版目的即在于此，它以 *Oxford Phrasal Verbs Dictionary for Learners of English (Second Edition)* 为蓝本编译，收录7,000多条英美常用的短语动词，解释深入，用词简明易懂，并提供了12,000余条取材于语料库的示例，展示正确用法。相比旧版，本版词典新增将近1,000项新内容，许多词条还增补了进入新世纪以来出现的新用法和新含义，对于广大读者与时俱进、阅读和理解英美最新文献资料及各类媒体内容一定会大有助益。

本词典可与同时出版的《牛津英语习语词典》（第2版）（英汉双解版），以及稍后出版的《牛津英语搭配词典》（第2版）（英汉双解版）一同使用。希望这三本针对性很强的词典能有助于英语学习者提高英语水平。

注：习语一词的含义甚广，一般指那些常用在一起、具有特定形式的词组，其蕴含的意义往往不能从词组中单个单词的意思推测而得。英语学习者由于受到母语的影响，遇到英语习语时往往会感到手足无措，甚至堕入语言陷阱而不知。

短语动词是英语中一个重要的范畴，我们不难发现以英语为母语的人士在日常交谈与写作中往往喜欢使用这类动词加小品词的组合，而不用词义相近的单词，以丰富语言的变化，展现语义上不同的层次与微妙的区别。

词语搭配，顾名思义就是英语词与词之间的组合，这些组合决非任意而为，而是有一定的规律可循，一般受到语义、语法和惯用法的制约。只有熟悉和掌握词语搭配，才能说写更自然地道的英语。

Preface by Lu Gusun 陆谷孙序

并非词义的简单相加

学英语之初，好像是从 Essential English 读到过一则有趣的故事，说是楼上住户准备往下倒水，事先警告楼下人当心，于是大叫“Look out!”，楼下人“就字论字”，闻声探出头去，旋被浇了个“醍醐灌顶”，从此知道 Look out 是要人当心的意思，而非“看 + 朝外”的单词意义简单相加。

“文革”后期北京出了三卷本的《第三帝国兴亡史》中译本，内部发行。时值书荒，所阙者学。我把这部书从头到尾读了几遍，穷文尽义，无微不综，发现内容翔实，译笔畅达，很是佩服。不过，在某处说到希特勒和邱吉尔斗智时，译文出现“这是一个两人都可以玩的游戏”这么一句，颇觉突兀。掩卷一想，英文原文定是谚语 It is a game that two can play。后来认识了译者之一的施咸荣兄，与他讨论过此句，两人都同意此句还是译作“这套玩意儿你会我也会”为好。这儿又是一例，说明英语中存在相当一部分词语，其语义不等于所涉单词意义的简单叠加。文化积淀丰厚的谚语自然属此。

此类词语一般都称之为“习语”(以前也有人称“片语”)，那是英语 idiom 的翻译，是个宽泛旷漫的概念，凡词的组合在意、趣、神、色各方面有异于参与组合的词的本身时，均可算入其中。另外，由于修辞界越来越重视盎格鲁—撒克逊源的短音节“母语”词，而非拉丁源“外来”词，多用诸如以 to wipe out 取代 to eliminate 之类的动词，短语动词遂成为时尚。由此，大批 phrasal verbs 成为英语习语中的一个主要构成部分。在一些美国出版的大型案头词典中，甚至有把短语动词单列而作为词条的。

从结构上看，习语的构成一般有不可变的固定性，如我曾与一位老师争论过 at this time of day (或 year 等) 还是 at this time of the day (或 year 等) 的习用性，后来大量语料证明，多见的是前者，而这种人称语言琐屑 (small change) 的东西，往往给母语为非英语的学生造成极大的困难；从语义上说，习语具有更强的“绝对语义”和“文化语义”，to die 可以指“死”，也可指“凋谢”、“灭亡”等，而习语 to kick the bucket 只可能指“死亡”，且与英人古时杀猪时猪的垂死挣扎的文化形象不可分割地粘连在一起；从语用上说，很多时候，表达的功能性效果，即上文提到的“意、趣、神、色”，非习语不能充分传达：试设想我们读到 It is raining hard 和 It is raining cats and dogs 两句时，无论从形象化或语势角度衡量，作为习语的后一句都自有其优越性。

虽说盎格鲁—撒克逊源的“母语”词并非在所有场合和一切时候都优于拉丁源的“外来”词（邱吉尔二战时的著名演说 We'll fight them on the beach. We'll fight them ... 数个排比句全用上盎格鲁—撒克逊“母语”词，直到最后一句 We'll never surrender 才用上一个中古法语源的 surrender，非此断无卓然惊心之效），时下人人信手拈用之短语动词可说已是二次大战后英语的一大胜场。非英语民族的英语学生不妨以对短语动词掌握的娴熟程度，例如说 to sleep off one's anxieties 但 to sleep away the whole afternoon，作为考量自己英语水平的一把尺子。

有鉴于包括短语动词在内的英语习语的重要性及其对中国学生造成的困难，牛津大学出版社首次推出两部专门性很强的英汉双解版英语习语和短语动词词典。虽然专门性较强，编者从学习型词典的定位出发，一仍旧贯，以集中处理“共核”，控制释义词汇量，强调准确，追求直观效果等行之有效的方法，使牛津的学习型词典队伍中，增加了熠熠生色的新成员。早在 20 世纪 40 年代，牛津开始真正引起辞书界和英语教学界对学习型词典的重视。事实证明，时至 21 世纪，牛津在这方面正百尺竿头，更进一步。传统的力量是强大的，尤其是当传统为创新所发扬时！

Preface by Chen Dezhang 陈德彰序

向大家推荐

我从中学开始学英语，后来考入上海外国语学院（上海外国语大学的前身）英语系，毕业后从事过短期的外事翻译，后来调到北京外国语大学，教了几十年书。我这一生和词典打了几十年的交道，和各种词典结下了不解之缘，可以说离不开词典这个良师益友。我书房里有上千本词典，书案前后左右就放了几十本常用的词典。我有个习惯，搞翻译、写（关于英语或翻译的）文章、备课做教案或制作讲座幻灯，甚至批改学生作业，一般都要参考三四本词典。有时，为弄清楚一个词的确切意思，要查五六本词典。我还参加过多本词典的编辑、翻译、审订等工作，从喜欢词典到对词典有一定的了解（我的研究方向是英汉翻译理论、汉英对比语言学和双语词典），每学年都要给学生上一堂词典课。

常有学生问我：一个人要有多大的词汇量才算学会了英语？这个问题要看怎样才算"掌握"了一个单词。掌握包括正确理解和使用。一些学生能背几千个单词，可是往往把一个个英语单词和一个个汉语解释对等起来，误认为一个词只有一两个意思。这离实际的"掌握"有很大的距离。还有一些同学，花很大工夫去背那些"大词"、难词，而对常用的"小词"却不重视。其实，越大的词意思越单一，用法也越简单。像某些 TOEFL 词汇，连以英语为母语的人一辈子也未必能用上一次。对学英语的人而言，难掌握的往往是那些其貌不扬的"小词"。每个"小词"都有多种意思，还能有不同的搭配，组成各种短语，使用频率非常高，"小词"用法的发展更新也是最快的，而一般"大词"的意思都可用"小词"组成的短语来表达。英语的语感（language feel）主要就体现在对"小词"的掌握上。遗憾的是，不少初学者对这一点认识不够，过于看重所谓的"词汇量"而忽略了"小词"和由"小词"组成的习语的学习。以常用动词 keep 为例，你知道 keep 的意思是"保持"，可是你知道 keep it up，keep yourself to yourself，for keeps，keep (sb/sth) down，keep sb under[1] 是什么意思吗？不知道这些，怎么能说学会了 keep 这个词呢？

英语和汉语的一个显著不同就在于，英语有大量的短语，其中大多数可以看成是习语，不但在口语中大量使用，在书面语，尤其是报刊文章中，也大量使用。绝大多数习语是由所谓的"小词"构成的。这里说的"小词"指由四个或四个以下字母构成的常用词，也是英语的核心词，既包括被称为"小品词"（particle）的介词和由介词发展成的副词，也包括 be，come，do，get，go，have，let，make，put，take 等使用频率非常高、用法很多的动词。英美记者似乎特别钟情于活泼生动的习语，而不喜欢使用"大词"，这样就拉近了作者与读者之间的距离。仔细读一下美国奥巴马总统的讲话就可以发现，他也用到

了许多生动的"小词"和由"小词"构成的习语。而我的英美朋友曾告诉我，他们常看到一些文章，语法几乎挑不出错，但一看就知道是中国学生写的。这些文章除了在结构上有汉语文章的特色外，一个显著的特点就是"大词"用得多，"小词"用得少，尤其是短语和习语少。这样的文章往往会给人以华而不实的感觉，读来一点也不亲切。

凡是有固定搭配，从字面上看不出其意思的短语都可称为习语（idiom），包括成语，还包括俗语、谚语以及比喻、一些常用词的特殊含义和用法、一些固定的搭配和句型等，从广义来说，涵盖了种种习惯用法 (idiomatic usage)。英语习语一般都有固定的结构，其用词和词序不能随便"活用"。从结构看，由介词和其宾语构成的介词短语占了很大的比例，此外还有具有特殊意义的名词短语、动宾结构、动状结构等。

其实，短语动词也是一种习语，不过是由两个或两个以上的词构成、意思或功能却相当于一个动词的习语。短语动词是英语和许多西方语言的特色之一。英语重静态，常用 do，get，have，make，take 等动词加上一个由动词衍生的名词组成的短语动词来表示动作的意义。这些短语中的动词已弱化，失去了原来的"做"、"得到"、"有"、"取"等意义，以其后的名词表示动作的含义，这就体现了英语静态的特点。

大家都知道 have a look（一般译为"看一下"或"看一眼"）比直接用动词 look 的动态感要低。这里的 look 可换成 glance/glimpse 等表达出不同的意思，而把 have 换成 seize/grab/steal 等，就变成了"很快看一眼"、"抓紧时间看一眼"、"偷偷看一眼"等很生动的说法。如果在 look/glance/glimpse 等宾语前加上 final，loving，admiring，fearful，trembling 等定语，更能表达丰富多彩的意思（译成汉语往往要用不同的状语"最后看一眼/看最后一眼"、"充满爱意地/深情地看一眼"、"敬慕地看一眼"、"恐惧地看一眼"、"哆哆嗦嗦地看一眼"等）[2]。这一结构里可换的词几乎是无穷的。能活用和掌握英语这些不同于汉语的动作表达方式是学会地道的英语的标志之一，也是学习英语的难点之一。

由外研社和牛津大学出版社共同出版的英汉双解《牛津英语习语词典》和《牛津短语动词词典》可作为英语学习者的首选。这两本词典专门为学习者编写，针对性强。词典的释义全部用简单明了的英语写成，便于理解掌握，所有的例句也都以实用为目标。其中，《牛津英语习语词典》收录习语达一万多条，涵盖了最常用的英语习语，对大中学生和英语自学者而言完全够用，对从事英语教学和翻译工作的人也有很大的参考价值。《牛津短语动词词典》收录动词短语 7 000 多条，例如中心词 look 条下就有将近 40 条短语动词，基本包括了 look 作为动词构成的所有短语。参加这两本词典汉译的都是有多年教学、翻译

和词典编译经验的专家、教师和词典编者，因此译文地道，不仅能帮助读者弄清原文的意思，对学习翻译也有很大的启发。词典中还专门编写了“学习页”，讲解有关习语和短语动词的种种知识，教你如何使用词典，文字生动有趣，并配有练习，可以说是一本微型教材，值得仔细研读。

有读者问，他们几年前就买过外研社和牛津大学出版社2005年共同出版的这两本词典，有必要再买新的吗？

大家都知道，语言发展很快，新词语，尤其是新习语不断涌现，有的有了新的意思和用法，一些旧的习语则被淘汰。所以，选词典必须尽可能跟上潮流。新版保留了上一版词典所有的特色，增收了许多新条目，若干例句也经过更新。如《牛津英语习语词典》在hard条下增加了fall on hard times，play hard to get两则；make条下增加了make a break for it，make or break等。《牛津短语动词词典》里则收录了许多大词典和短语词典迄今尚未收录的新词条，如big it up，max out，rock up等。

最后我想提醒读者，这两本词典标明了英美不同拼法和发音、语体色彩和使用的情景，即“语境”。许多条目提供了同义和反义词语，这在翻译和写作时特别有用。有关习语来源的知识有利于读者开阔视野，了解语言背后的文化内涵。这样的词典如果仅在遇到不懂的表达时查阅就太可惜了，时不时翻阅（不一定要从头到尾读）也能增长很多知识，有许多知识恐怕是一般阅读中学不到的。

Guide to using the dictionary 本词典用法指南

Finding verbs in the dictionary 查找本词典中的动词

1 What is in the dictionary? 本词典的内容

In this dictionary we include several different types of verbs that are used with adverbs or prepositions (often called *particles*). 本词典收录与副词或介词（常称作小品词）连用的几种不同类型的动词。

a **Idiomatic verb + particle combinations.** 动词 + 小品词的惯用组合。Sometimes when you meet combinations of verb and particle, it is impossible to guess the meaning in the context from the meaning of the verb and the meaning of the particle. Examples of these are **fall through** (meaning 'not happen') and **put up with somebody** (meaning 'accept somebody who is annoying without complaining'). There is often a single-word verb with the same meaning. Single-word verbs, however, may be more formal than the phrasal verb, or used in slightly different contexts. 单凭某个动词和某个小品词的含义，有时完全猜测不出两者组合后在某个语境中所表达的意思。例如，fall through（意思是"化为泡影"）和 put up with somebody（意思是"容忍某人"）。短语动词常有一个同义的单字动词。但是，单字动词可能比短语动词更正式，或用于稍有区别的语境。

b **Verbs which are always followed by a particular particle.** 固定后接小品词的动词。Examples of these are **rely on**, **crop up**, **abide by**. These cannot be used without the particle. 此类动词包括 rely on、crop up、abide by 等，不能省略小品词。

c **Verbs that are followed by a particle in a particular meaning.** 后接小品词后有特定含义的动词。 These verbs can be used on their own without a particle, but have a different meaning when they are used with one. **Brush sth up** is an example of a verb like this. **Brush sth** can be used on its own meaning 'clean, polish or make sth smooth'. **Brush sth up** means 'study or practise sth to get back the skill or knowledge that you had in the past': *You should brush up your French before you go to France*. Other examples are **nod/nod off**, **grow/grow up**, **walk/walk out**. 此类动词可不接小品词单独使用，但与小品词连用时含义不同。如 brush sth up 就是其中一例。brush sth 可单独使用，表示"刷干净、刷光亮或刷平顺"。brush sth up 则指"重温、复习（生疏了的技能或知识）"：You should brush up your French before you go to France.（你去法国之前得温习一下法语。）其他例子包括 nod/nod off、grow/grow up、walk/walk out。

Many very common verbs fall into this group. **Look**, for example, can be used with several different particles, and it has a special meaning with each one that is different from **look** on its own. 很多十分常见的动词即属此类。例如，look 可以与若干不同的小品词连用，每一种组合的含义都有别于单独使用的 look。

Some more formal verbs also fall into this group. For example you can *furnish a room*, that is, put furniture in it, but if you *furnish somebody with something* you are giving them some useful information. 有些较正式的动词也属此类。例如，furnish a room 指在房间里放置家具，但 furnish somebody with something 则指向某人提供有用的信息。

d **Verbs with a particle, where the particle adds to, but does not change, the basic meaning of the verb.** 加小品词后动词的基本含义不变。The particle often adds something to the meaning, such as completeness. For example, **finish off**, as opposed to **finish**, emphasizes that you are completing your work. Other examples are **spread/spread out**, **fade/fade away**, **slave/slave away**. You will find more information about the meaning of the particles in the *Guide to the Particles* on page 504.

这类小品词常增添某种含义，如突出“完成”之意。例如，与 finish 相比，finish off 强调任务已完成。其他例子包括 spread/spread out、fade/fade away、slave/slave away。小品词含义的补充信息可参看第 504 页的《小品词指南》。

e **Verbs plus particles where each has their normal meaning.** 表达各自通常含义的动词 + 小品词。**Phone back** (meaning 'telephone sb again') is an example of a verb like this. The meaning of **phone back** can be worked out from the meaning of **phone** and **back**. Verbs of this type have been included in the dictionary where the combination of verb and particle are very common, or where there is something unusual or interesting about the verb. For example, **phone back** can mean two slightly different things ('telephone somebody who has called you', or 'telephone sb for a second time'). * phone back（意思是“再次给某人打电话”）就是此类动词的一例。phone back 的意义可从 phone 和 back 的含义中推测出来。此类动词，只要动词和小品词的组合十分常见，或者含义不同一般、饶有趣味，均收入本词典。例如，phone back 可表示略有区别的两种意义（“给来过电话的人回电话”或“再次给某人打电话”）。

2 Particles 小品词

These are the particles used with phrasal verbs in this dictionary. You will find more information about the most common particles in the *Guide to the Particles* on page 504. 以下是与本词典所收短语动词连用的小品词。最常见小品词的补充信息可参看第 504 页的《小品词指南》。

aback	ahead	as	behind	forward	on	round	up
about	ahead of	aside	between	from	onto	through	upon
above	along	at	by	in	out	to	with
across	among	away	down	into	out of	together	without
after	apart	back	for	of	over	towards	
against	around	before	forth	off	past	under	

3 Finding the verb you want 查找动词

The phrasal verbs are arranged in the dictionary under their head verbs (for example **give**, **move**, **sit**) and then in alphabetical order of the particles. Within each particle you will first find the verb + particle, with no object. Then there are meanings of the verb that can be used both without an object and with an object. After that, there are meanings of the verb used only with an object, first verbs with people as objects (sb), then verbs that can have people or things (sb/sth) and then verbs with only things as objects (sth). Verbs with *itself*, *yourself*, etc. come at the end of those, and verbs that are only used in passive forms will be last. 本词典中的短语动词词条按中心词动词（如 give、move、sit）排列，各词条中再按小品词的字母顺序排列。每组动词 + 小品词的组合中，先列出不带宾语的组合，然后是既可带也可不带宾语的组合，接着是必须带宾语的组合，其中宾语为人（sb）的在前，宾语为人或物（sb/sth）的其次，再次是以物（sth）为宾语的组合。其后是与 itself、yourself 等连用的动词，最后是仅用于被动语态的动词。For example 例如：

give up; give sth up	break in	put sb out
give sb up	break sb/sth in	put sth out
give sth up	break sth in	put yourself out
give yourself up	break into sth	be put out

Using phrasal verbs
短语动词的用法

1 The phrasal verb 短语动词

The arrangement of the verbs in the dictionary will tell you whether they can be used without an object (*intransitive*), with an object (*transitive*), or both with and without an object. Look at the the entry for **break down**. It shows you that in this meaning **break down** is an intransitive verb, used without an object. 本词典中动词的编排可显示动词是不带宾语（不及物）、带宾语（及物）还是带或不带宾语均可。参看词条 break down。该词条显示作此义时，break down 是不及物动词，不带宾语：(*My car broke down on the way to work this morning.* 我的车今天早晨在上班途中抛锚了。)

> **ˌbreak ˈdown 1** if a vehicle, etc. **breaks down**, it stops working because of a fault （车辆等）出故障，出毛病：*The washing machine has broken down again.* 洗衣机又坏了。◇ *We (= our car) broke down twice on the way home.* 在回家的路上我们的车抛锚了两次。

There are two forms of the verb at **burn down**. This shows you that you can use burn down as a transitive and an intransitive verb in this meaning.
* burn down 中的动词有两种形式。这表示作此义时 burn down 可作及物或不及物动词。

> **ˌburn ˈdown; ˌburn sth ˈdown** if a building **burns down**, or sb **burns it down**, it is destroyed by fire （把…）焚毁，烧毁：*The palace burnt down in the 19th century.* 这座宫殿在 19 世纪毁于大火。◇ *She threatened to burn the house down.* 她威胁要把房子烧掉。

Look at the entry for **freshen up**. This tells you that you can use it as an intransitive verb with an object (*I'd like to freshen up*) or with **yourself** (*I'd like to freshen myself up*).
参看词条 freshen up。这表示该动词可作不及物动词，不带宾语（I'd like to freshen up 我要去梳洗一番）或与 yourself 连用（I'd like to freshen myself up 我要去梳洗一番）。

> **ˌfreshen ˈup; ˌfreshen yourself ˈup** to wash and make yourself look clean and tidy after a journey, before a meeting, etc. 梳洗打扮：*I'll just freshen (myself) up before dinner.* 晚饭前我要去梳洗一番。

At **keep out**, the entry tells you that in this meaning you can use the verb on its own (*Danger! Keep out!*) or as a transitive verb with the adverb + preposition **out of**, followed by a noun or pronoun (*Keep out of my way!*). 词条 keep out 显示，作此义时该动词可单独使用（Danger! Keep out! 危险！不得靠近！）或作及物动词，与副词 + 介词 out of 连用，后接名词或代词（Keep out of my way! 让开！）。

ˌkeep ˈout; ˌkeep ˈout of sth to not enter a place; to remain outside 不进入（某处）；留在…外面：*There was a sign saying 'Keep out!'.* 告示牌上写着"禁止入内！" ◇ *Please keep out of the office while I'm working.* 我工作时请不要进办公室。

The entry for **rush into** tells you that the verb can also be used with an *-ing* form of a verb that follows it. 词条 rush into 显示该动词也可接动词的 -ing 形式：(*Don't rush into leaving your course*. 别草率决定放弃课程。)

ˌrush ˈinto sth; ˌrush ˈinto doing sth; ˌrush sb ˈinto doing sth to do or decide sth quickly without thinking about it carefully; to make sb do this （使）贸然行事，仓促决定：*Don't go rushing into anything.* 不要贸然行事。

2 Synonyms and opposites 同义词和反义词

When there are helpful synonyms or opposites, these are given in alphabetical order. As the contexts that the synonyms are used in may not always be exactly the same as the original phrasal verb, it is worth looking them up in the dictionary to be sure that you understand how they are used. For example, while **knock down** can be used instead of **break down** in the examples given there, **break down** cannot always be used instead of **knock down**. 有用的同义词或反义词按字母顺序列出。由于同义词和原短语动词所适用的语境未必总是完全一致，读者应查阅本词典，掌握其用法。例如，break down 词条下的示例可改用 knock down，这并不表示任何情况下 break down 都可替换 knock down。

3 Grammar patterns of phrasal verbs 短语动词的语法模式

To help you use the verbs correctly, a simple system of grammar patterns is given after each one. These show you how the verb combines with an adverb, a preposition, a noun or a pronoun, an infinitive, etc. and the order in which these words can occur. 为帮助读者正确使用，语法模式均简要列于各动词后。这些语法模式显示动词和副词、介词、名词或代词、动词不定式等的组合形式，以及这些词的出现顺序。These are the short forms which are used 使用的缩写如下：

adv	=	adverb 副词
inf	=	infinitive (without 'to' e.g. *do*) 动词不定式（不带 to，如 do）
-ing	=	a verb form ending in -ing (e.g. *doing*) 以 -ing 结尾的动词形式（如 doing）
n	=	noun 名词
n/pron	=	noun or pronoun 名词或代词
prep	=	preposition 介词
pron	=	pronoun 代词
to inf	=	infinitive with 'to' (e.g. *to do*) 带 to 的动词不定式（如 to do）
v	=	verb 动词

The following are the most common types of verb patterns used in the dictionary. 以下是本词典中最常用的动词模式类型。

v + adv — Intransitive verbs, for example 不及物动词，如:

- **break down** — *My car broke down this morning.* 我的车今天上午出故障了。
- **sit down** — *Come in and sit down.* 进来坐下吧。

v + prep — These are verbs followed by a preposition. For example 后接介词的动词，如:

- **rely on sb/sth** — *You can rely on me.* 你尽管相信我。
- **call for sb** — *I'll call for you at eight.* 我八点钟来接你。

v + adv + prep — These verbs are followed by an adverb and a preposition 后接副词和介词的动词:

- **put up with sb/sth** — *How do you put up with him?* 你怎么受得了他？
- **keep out of sth** — *Keep out of the kitchen.* 别进厨房。

These last two groups are sometimes called *inseparable verbs* as the object always follows the particle. 最后这两组有时称作不可分动词（inseparable verb），因为宾语总是跟在小品词后。

v + n/pron + adv
v + adv + n
v + pron + adv — These three patterns are all used with transitive verbs. The patterns show you where to put the object. The most frequent patterns come first. 这三种模式均用及物动词。这些模式指明宾语的位置。最常见的模式列在首位。

tear sth up

She tore the letter up. She tore up the letter. She tore it up.

v + n/pron + adv
v + adv + n

Verbs that can be used with these patterns, where the object can go either between the verb and the particle or after the particle, are sometimes called *separable verbs*. For example 用于此类模式的动词有时称作可分动词（separable verb），在这些模式中，宾语可置于动词和小品词之间或小品词之后。例如：

tear sth up
She tore the letter up. She tore up the letter. She tore it up.

When the object is a long phrase, it usually comes after the particle. 宾语若为长短语，通常置于小品词之后：*She tore up all the letters he had sent her.* 她把他寄来的信都撕了。

When the object is a pronoun, it must come between the verb and the particle. 宾语如果是代词，必须置于动词和小品词之间：*She tore them up.* 她把它们都撕了。

v + adv + n
v + pron + adv

With some phrasal verbs the object can only come between the verb and the particle when it is a pronoun. A noun must follow the particle. 有些短语动词的宾语如果是代词，必须置于动词和小品词之间。名词必须置于小品词之后。

fight back sth
I tried to fight back my tears. I wanted to scream but fought it back. 我强忍住泪水。我想放声尖叫，但竭力克制住了。

v + n/pron + adv

There are a few phrasal verbs in which the two parts of the verb must be separated by the object. 有些短语动词的两个部分必须用宾语隔开。

mess sb about/around
They changed the flight time and messed the passengers around.
他们更改了航班时间，给乘客添了麻烦。

v + n/pron + prep

drill sth into sb
The teacher drilled grammar into us. 老师向我们反复灌输语法。

be/get + v + adv
be/get + v + prep

A few phrasal verbs are only used in the passive. For example, **be/get carried away** has the pattern **be/get + v + adv**, and **be/get stuck with sth** has the pattern **be/get + v + prep**. Often a note will tell you if a phrasal verb is commonly used in the passive. 有些短语动词仅用于被动语态。例如，be/get carried away 的模式为 be/get + v + adv, be/get stuck with sth 的模式为 be/get + v + prep。某一短语动词是否通常用于被动语态，往往会予以注释说明。

SYNONYMS 同义词辨析

break down

break down • crash • go down • go wrong

These are all verbs that can be used when a machine stops working because of a fault. 这些动词都表示机器出故障、出毛病、失灵。

break down (of a machine or vehicle) to stop working because of a fault （机器或交通工具）出故障，出毛病：*The washing machine has broken down again.* 洗衣机又坏了。◇ *We* (= our car) broke down on the motorway. 我们在高速公路上抛锚了。 **NOTE** **Break** can be used on its own, but is not used to talk about vehicles * break 可单独使用，但不用于指交通工具：*My watch has broken.* 我的手表坏了。 ▸ **breakdown** *n* : *a breakdown on the motorway* 在高速公路上抛锚

crash (of a computer or computer system) to stop working suddenly （计算机或计算机系统）突然崩溃，死机：*Files can be lost if the system suddenly crashes.* 如果系统突然崩溃，文件可能会丢失。

go down (of a computer system) to stop working temporarily （计算机系统）暂停工作，暂停运行：*The system is going down in ten minutes.* 十分钟后系统将暂停运行。

go wrong to stop working correctly 出毛病；出故障：*The new television set will contain fewer components to go wrong.* 新电视机的元件中会出故障的将更少。

WHICH WORD?

Machines, devices and parts inside machines and vehicles can **go wrong**; whole vehicles cannot. If sth **goes wrong**, it may not stop working completely, as it does if it **breaks** or **breaks down**. When computers or computer systems **crash**, this is always sudden and unexpected; when a system **goes down**, it may have been turned off deliberately while work is carried out on it. * go wrong 用于指机器、装置以及机器和车辆的零件出故障，而不用于指整辆车。go wrong 并不表示完全停止工作； break 和 break down 则有此义。crash 通常指计算机或计算机系统突然、意外地停止运行； go down 可能指在系统工作时有意关闭系统。

telephone (sb) (*especially BrE, formal*) to make a telephone call to sb （给某人）打电话: *Please write or telephone for details.* 请来函来电了解详情。◇ *I was about to telephone the police.* 我正要打电话报警。

WHICH WORD?

Ring and **phone** are the most frequent verbs in this group in spoken British English, but they are not used in American English. **Call** is usually preferred when asking sb/sth to come to a place 在英国英语口语中，ring 和 phone 在这组动词中最常见，但美国英语中不用于此义。call 通常用于表示要某人或某物来某处: *to call the police/fire brigade* 打电话报警 / 报火警. You can **call, ring** or **phone** a person, place or institution, but you must **call** or **ring/phone** *for* a cab/a taxi/an ambulance. **Give sb a call/ring** is used most frequently when you are telling people to telephone you, or saying that you will telephone them. **Call up, ring up**, etc. are never used with this meaning. 打电话给某人、到某处或某机构，可用 call、ring 或 phone，但打电话叫出租车或救护车，须用 call for 或 ring / phone for。让别人打电话来，或告诉别人会打电话去时，give sb a call / ring 最常见，call up、ring up 等从不用作此义。

SYNONYMS 同义词辨析

care for sb

attend to sb/sth ◆ care for sb ◆ look after sb/yourself ◆ take care of sb ◆ tend to sb

These verbs all mean to be responsible for sb's health or safety, especially by giving them everything they need. 这些动词都表示照顾、照料、看护。

attend to sb/sth (*formal*) to look after sb/sth and make sure they have everything they need 照顾；护理：*A nurse attended to his needs constantly.* 一位护士随时照看他的需要。

care for sb to look after sb because they are seriously ill, injured or very old, and to make sure they have what they need 照顾，照料（重病人、伤员或老人）：*He gave up work to care for his wife.* 为照顾妻子他辞去了工作。

look after sb/yourself (*especially BrE*) to be responsible for sb's general health and happiness, especially because they are ill, injured, very young or old 照顾，照料（尤指病人、伤员、幼童或老人）：*Who's going to look after the children while you're away?* 你不在时谁来照看小孩？◇ *Don't worry about me—I can look after myself.* 别担心我——我能照料我自己。

take care of sb to look after sb 照顾；照料；关心：*Who's taking care of the children while you're away?* 你不在时谁来照看小孩？

tend to sb to look after ill or injured people 照管，照料，护理（病人或伤员）：*Ambulance crews were tending to the injured.* 救护车上的医护人员正在照料伤者。 NOTE **Tend** can be used on its own, and is also used for animals and plants * tend 可单独使用，也用于动植物：*Doctors and nurses tended the injured.* 医生和护士照料伤者。◇ *They helped the farmers tend their cattle.* 他们帮农民照看牛。

WHICH WORD?

People often **look after sb** for a short time, while they are ill, or while the person who usually takes care of them is away. **Take care of sb** can be used in the same way, and in American English it is more frequent than **look after sb** . Both of these, but especially **take care of sb**, can suggest a feeling of love and care for the person, not just a position of responsibility. **Caring for sb** is more often a long-term, full-time occupation. * look after sb 常指短期照料病人或代人照看。take care of sb 用法相同，在美国英语中比 look after sb 更常见。这两个动词短语，特别是 take care of sb，含有对人的关爱和关心之意，而不仅仅指负有责任。caring for sb 多指长期、全职的工作。

cheat on sb

betray sb ◆ be unfaithful to sb ◆ cheat on sb ◆ commit adultery ◆ play around

These verbs all mean to have a sexual relationship with sb who is not your usual partner. 这些动词都表示对伴侣不忠。

betray sb (*literary, disapproving*) (of sb who is married or who has a regular sexual partner) to have a secret relationship with sb else （对性伴侣）不忠，出轨，偷情: *She could not believe that Sergio had betrayed her.* 她无法相信塞尔吉奥对她不忠。

be unfaithful to sb (of sb who is married or who has a regular sexual partner) to have a secret relationship with sb else （对性伴侣）不忠，出轨，偷情: *Have you ever been unfaithful to him?* 你有过外遇吗？

cheat on sb (*not formal, disapproving*) (of sb who is married or who has a regular sexual partner) to have a secret relationship with sb else （对性伴侣）不忠，出轨，偷情: *He's cheating on his wife.* 他背着妻子偷情。

commit adultery (*formal*) to have sex with sb who is not your husband or wife 通奸: *She was accused of committing adultery.* 她被控通奸。

play around (*informal*) to have a sexual relationship with sb who is not your usual partner 偷情；乱搞男女关系: *Her husband is always playing around with other women.* 她丈夫总是拈花惹草。

WHICH WORD?

Cheat on sb is slightly less formal than **be unfaithful to sb** . If you use **be unfaithful to sb,** you are not making any obvious moral judgement about a person's actions; using **cheat on sb** suggests that you find such an action dishonest and unacceptable. **Play around** is more often used to talk about men than women; it is often used about a man who has sexual relationships with more than one other woman. * cheat on sb 比 be unfaithful to sb 略显不正式。用 be unfaithful to sb 时，对此种行为并无明显的道德判断；用 cheat on sb 时，则表示此种行为不诚实、不可接受。play around 多用于指男性，并且常用于指与多名女性有染的男性。

SYNONYMS 同义词辨析

come round

come round ◆ come to ◆ regain consciousness ◆ wake up

These verbs all mean to become conscious again. 这些动词都表示恢复知觉、苏醒过来。

come round (*BrE*) to become conscious after being unconscious 恢复知觉；苏醒: *She hasn't come round from the anaesthetic yet.* 她尚未从麻醉中苏醒过来。 **NOTE** **Come around** is used in American English. * come around 用于美国英语。

come to to become conscious after being unconscious 恢复知觉；苏醒: *When she came to, the room was in darkness.* 她苏醒过来时，房间漆黑一片。

regain consciousness (*formal*) to become conscious after being unconscious 恢复知觉；苏醒: *She never regained consciousness and died three days later.* 她再未恢复神智，三日后与世长辞。

wake up to become conscious after being unconscious, especially after an operation (尤指手术后)恢复知觉，苏醒: *I felt really terrible when I woke up after the operation.* 手术后我苏醒过来，感觉很糟。

WHICH WORD?

With **come to** the emphasis is more on the moment of becoming conscious, less on the process. With **come round/around** the emphasis is more on the process of becoming conscious, less on the moment. All of these expressions can be used for becoming conscious after an operation. * come to 更强调苏醒的时刻，而非过程； come round / around 更强调苏醒的过程，而非时刻。这些表达方式都可用于指手术后恢复知觉。

SYNONYMS 同义词辨析

give sb/sth away

betray sb/sth • disclose sth • divulge sth • give sb/sth away • reveal sth

These verbs all mean to give information about sb/sth to sb, especially when that information is supposed to remain secret. 这些动词都表示泄露、暴露、透露。

betray sb/sth to tell sb or make them aware of a piece of information or a feeling, usually without meaning to （通常指无意中）泄露，暴露: *His voice betrayed the worry he was trying to hide.* 他的嗓音使他的焦虑无法掩饰。◇ *She was terrified of saying something that would make her* ***betray herself*** (= show her feelings or who she was) . 她害怕说出的话会暴露自己。

disclose sth to make sth known to sb, especially sth that was previously secret 泄露；揭露；公开: *The spokesman refused to disclose details to the press.* 发言人拒绝向媒体披露详情。

divulge sth (*formal*) to give sb information that is supposed to be secret 泄露；透露: *Police refused to divulge the identity of the suspect.* 警方拒绝透露嫌疑人的身份。 NOTE **Divulge** is often used in the negative, or with a verb that has a negative meaning, like **refuse** . * divulge 常用于否定，或与 refuse 等具否定意义的动词连用。

give sb/sth away to make known sth that sb wants to keep secret 泄露；透露: *She gave away state secrets to the enemy.* 她向敌人泄露了国家机密。◇ *His voice gave him away* (= showed who he really was) . 他的嗓音透露出他的身份。

reveal sth to make sth known to sb, especially sth that was previously secret 泄露；揭露；公开: *The doctors did not reveal the truth to him.* 医生没有告诉他真实病情。◇ *It was revealed that important evidence had been suppressed.* 据透露，重要证据被隐瞒了下来。

WHICH WORD?

A person who **gives sth away** should really be keeping the information secret; a person who **divulges** information is more likely to have the authority to do so. **Disclose** is always rather formal; **reveal** can be used in formal or less formal contexts, including popular newspapers. * give sth away 指泄露本应当保守的秘密，divulge 指透露秘密者很可能有此权力。disclose 总是相当正式，reveal 可用于正式语境或大众报纸等不太正式的语境。

WHICH WORD?

Buildings are usually **demolished** deliberately, because they are not safe or are no longer needed, or the land is needed for sth else. In informal usage, especially in American English, buildings, vehicles and other objects can be **demolished** by accident * demolish 通常指建筑物因为不安全、不再需要或该地需作他用而有意拆除。在非正式用法中，尤其在美国英语中，demolish 可指建筑物、车辆以及其他物体毁于事故：*The hurricane demolished trailers and blew roofs off houses.* 飓风摧毁了拖车式活动房，掀翻了房顶。 **Tear sth down** can suggest that unnecessary violence was used, or that the speaker has negative feelings about what was done. **Demolish, knock sth down** and **pull sth down** are neutral in meaning. * tear sth down 可暗示使用了不必要的暴力，或者说话者对发生之事持有否定态度。demolish、knock sth down 和 pull sth down 在含义上不带有倾向性。

SYNONYMS 同义词辨析

lay sb off

dismiss sb • fire sb • lay sb off • make sb redundant • sack sb

These verbs all mean to officially remove sb from their job. 这些动词都表示解雇、免职、开除。

dismiss sb (*usually passive*) (*formal*) to officially remove sb from their job 解雇；免去…的职务；开除: *She claims she was unfairly dismissed from her post.* 她自称遭到无正当理由的解雇。

fire sb (*often passive*) to officially remove sb from their job 解雇；开除: *We had to fire him for dishonesty.* 因为他不诚实，我们不得不将他开除。◇ *She got fired from her first job.* 她被解雇，结束了第一份工作。

lay sb off (*often passive*) to stop employing sb, often for a temporary period, because there is not enough work for them to do （因工作不多暂时）遣散，裁减: *200 workers at the factory have been laid off.* 该厂 200 名工人下岗了。

make sb redundant (*usually passive*) to remove sb from their job because there is no more work available for them （因无工作可做）解雇，裁减: *She was made redundant from her job.* 她被裁员了。

sack sb (*often passive*) (*informal, especially BrE*) to dismiss sb from a job, usually because they have done sth wrong （因过错）解雇，开除: *She was sacked for refusing to work on Sundays.* 她因拒绝星期天上班被开除了。

NOTE It is also possible to say **give sb the sack** or **get the sack** in British English. 英国英语中也可说 give sb the sack 或 get the sack。

WHICH WORD?

Dismiss is the preferred term in legal contexts, especially in the phrase *unfairly/wrongfully dismissed* . **Sack** can sound more sudden or dramatic than **give sb the sack**, and is used more in newspapers. **Give sb the sack** is more frequent in everyday spoken English 法律语境中倾向于用 dismiss 一词，尤其在 unfairly / wrongfully dismissed 短语中。与 give sb the sack 相比，sack 含有突如其来或富有戏剧性之意，多用于报章。日常英语口语中常用 give sb the sack: *She got the sack/was given the sack for refusing to work on Sundays.* 她因拒绝星期天上班被开除了。

WHICH WORD?

Get has a wider range of meaning than **fetch** you usually **fetch** people or things that are in a place and just need to be collected; you can **get** things that need to be prepared or obtained. When you are talking about people, **collect** can be used in British English; in American English it is more usual to say **pick sb up** . You might be on foot or in a car when you **pick sth up** but you always **pick sb up** in a car.
* get 比 fetch 的意义范围更广：fetch 通常指去某处接人或取物；get 可指调制出来或弄到。英国英语中 collect 可用于指接人，而美国英语中更倾向于用 pick sb up。pick sth up 可步行或开车前往，但 pick sb up 总是指开车去接。
